atelier oi was founded in 1991 in La Neuveville, Switzerland, by Aurel Aebi, Armand Louis and Patrick Reymond.

atelier oi has been striving to dissolve barriers between genres and foster cross-disciplinary creativity for 25 years. Over the course of their achievements, architecture, design and set design have intertwined on an international scale. Transdisciplinarity, team spirit and an intimate rapport with the material are their watchwords. Born of an intuitive and emotional affinity with the act of shaping different materials, their projects have been recognised the world over. Between experimentation, cultural exchanges and events devoted to their creations, they design for Artemide, B&B Italia, Bulgari, Danese, Foscari, Moroso, Pringle of Scotland, Röthlisberger, USM, Victorinox, Louis Vuitton, Rimowa and many others.
