**About JANUS et Cie**

The Definitive Source for Site, Garden, and Casual Furnishings®

For more than 35 years JANUS et Cie, has been an industry leader in design-driven furnishings for the outdoors. The luxury lifestyle brand, now part of the Poltrona Frau Group family along with Poltrona Frau, Cassina and Cappellini, serves commercial, hospitality, and residential clients with a dedicated focus on outstanding quality, superior craftsmanship and unparalleled service. In the years since the company's founding in 1978, CEO Janice Feldman and her exceptional team have transformed the company from a single showroom in the Los Angeles, California to a comprehensive global design resource with sixteen flagship showrooms throughout North America, Singapore and Sydney, as well as field offices and select dealers throughout the world.

The company's namesake—the Roman god JANUS, whose two faces look both forward and back—is the foundation of a unified mission rooted in tradition, heritage and craft, yet equally dedicated to innovative materials and progressive engineering. This inspired long-term view is realized through the lens of a unique corporate culture that encourages curiosity, creativity and collaboration in the pursuit of excellence.

JANUS et Cie offers a diverse catalog of over 6000 pieces—each design remarkably distinguished in concept and form. Acclaimed by the most discriminating designers, architects and juried competitions, this powerful body of work has inspired for decades a demand for beautifully imagined casual furnishings to be used both indoors and out, and has influenced an entire industry in the process.
