MILANO DESIGN WEEK – BRERA DESIGN DISTRICT

Heavy Metals Collection

Animals, Hearts & Flowers

Sticky metal tiles inspired to animal instinct and human intelligence, to apply anywhere you want.

Soft metal elements with embossed drawings, dimensions 10x10cm, designed for ornamental compositions to be invented at will, by playing with the animal symbolism of totemic figures by creating custom textures of various sizes and dimensions, wallpaper effect, that they can balance the density of the geometric elements with decorative ones, harmonizing the installation of the spaces in a more functional and aesthetically pleasing way.

Animals, hearts and flowers as small metal talismans to illuminate the space.
